*"Progressive Democrats of America (PDA) is excited to be a part of the March 26th gathering in Akron. PDA is organizing across the country to mobilize the progressive vote to help take back Ohio and the U.S. Congress for the Democratic Party in 2006. The meeting on the 26th will help strengthen this important work on the ground in Ohio and across the Nation.
-- Tim Carpenter, National Director, Progressive Democrats of America.*

The Ohio Democratic Party is committed to working with Progressive Democrats in Ohio this year and beyond. The activist community is a vital part of the effort to take back the state in 2006. We need the support of all Democrats to win the year and build for 2008. Please attend this exciting event and hear from many progressive speakers who will inform and motivate us on to a victory this fall. -- Steve Chaffin, Northwest Ohio Field Coordinator for the Ohio Democratic Party.
