Progressive Democrats of America (PDA) was founded in 2004 to transform the Democratic Party and our country. We seek to build a party and government controlled by citizens, not corporate elites - with policies that serve the broad public interest, not just private interests. As a grassroots PAC, PDA operates inside the Democratic Party, and outside in movements for peace and justice.

Healthcare:

Millions of Americans have no reliable access to health care and millions more have inadequate or overly expensive coverage. Despite spending twice as much as other developed nations on health care, our system performs poorly. Private U.S. insurance gatekeepers soak up one-third of expenditures. Pharmaceutical interests overcharge Americans by avoiding price competition.

War and Peace

Terrorism should be treated as a crime, not as a pretext for war and global military expansion. Nuclear weapons are too dangerous to serve the strategic interests of any country and must be abolished. Initiatives to promote peace, disarmament, and the rule of international law will allow the US military budget to return to the 1998 peacetime level. We must bring our troops home to their families and redirect wasteful military spending to reinvest in America.

Election Integrity:

Big-money domination threatens our election system. Incumbents are unfairly insulated by district gerrymandering. Voters face political and racial obstacles to voting and getting their votes counted. Digital voting systems and internet voting are vulnerable to error and manipulation and defy verification. Only an auditable paper ballot can protect our right to vote.
